

#ReimaginePhysicalSpaces

Change the meeting game with Microsoft Teams Rooms and Magenium

Collaborate without compromises through a wide array of certified devices, & other flexibilities. With Teams Rooms, existing clients can experience 70-90 expected reduction in IT costs associated with meeting rooms over 3 years.

Transform any meeting space

Turn any meeting room, from small huddle areas to large conference rooms, into a Teams Room, with a wide range of certified, high-quality devices.

Use the operating system of your choice

Get the same Teams Rooms' core functionality on both Windows and Android operating systems.

Windows

Connect with other meeting services

Join occasional external Webex or Zoom meetings from a Microsoft Teams Room with direct guest join

Unlock more capabilities with Surface Hub

Get boundaryless collaboration on a device purpose built for teams to meet and co-create, wherever you work.

We save a substantial amount on technology costs annually by consolidating on Teams as our one collaboration solution. This allows us to reinvest to better serve our customers.”

Mike Laurenti

Chief Information Officer, Global Support Office | Ahold Delhaize

Accelerate the transformation of your meeting rooms
